COMMUNITY

Our Mission

YMCA CAMP CARSON IS ACCEPTING, CHALLENGING, AND EMPOWERING.

Aligned with the mission of the YMCA of Southwestern Indiana, YMCA Camp Carson strives to serve all people, especially youth, by building relationships. We do this through activities that promote a healthy spirit, mind, and body. A priority for YMCA Camp Carson is to provide a space for our community to be accepted for who they are and learn to accept others, to be challenged to try new things, and be empowered to take their experiences back to lives outside of camp to make a change in the world.

Everything that happens at YMCA Camp Carson is done with our core values of Caring, Responsibility, Respect, Honesty, and Faith in mind. AND, we do these things as a community, we have a whole lot of FUN! These values help us achieve our goals for campers and staff: Safety, Community, and Personal Growth in Body, Mind, and Spirit.
